

Moving & Storage Membership Application

Since the actions of one company can affect the reputation of the entire industry, as a condition of membership, all members of the PMSA must agree to abide by an enforceable code of conduct. The membership committee review of applications will include research of complaint history with regulatory and consumer agencies, and solicitation of comments from existing members.

If admitted to membership, applicant agrees and promises to pay the annual membership dues in a timely manner, abide by the bylaws and other policies and procedures as prescribed by the Board of Directors, subscribe to the Association's Code of Ethics, and conduct business in an ethical manner consistent with the laws of the State of Pennsylvania and the United States of America, or any subdivision thereof. Failure to meet these obligations may result in suspension or termination of membership and forfeiture of all membership services. Membership will automatically renew annually unless cancelled in writing.

(Membership will be on probationary status for one year.)
